At Datapac, we understand that it takes a mix of tools and knowledge to run a successful business in today’s competitive environment. We want to play a catalyst role in supporting Wexford businesses and that’s why we’ve transformed the ICT infrastructure for the Wexford Chamber of Commerce and all of its members. The Datapac Business Resource Centre is a new collaborative space to facilitate all meeting and training needs of local businesses. It is a state-of-art facility powered by the latest technologies and offering a wide number of services to the business community.

**TECHNOLOGIES AVAILABLE IN THE DATAPAC BUSINESS RESOURCE CENTRE**

1. **WiFi**
Free High-speed WiFi is available throughout the Datapac Business Resource Centre for all visitors. This means seamless access to all your devices through HP Aruba’s leading wireless technology giving you superb WiFi performance and network availability.

2. **Presentation laptop**
Simply bring along your presentation on a USB key and plug it into the Centre’s Presentation laptop. PowerPoint and video playback software are ready to use with the click of a mouse.

3. **Put it all up on our 65” TV**
Datapac Business Resource Centre is fitted with a 65” Plasma Screen to bring your presentations to life. You can use our Presentation laptop or connect to the TV with your own laptop via our HDMI cable. If you have a Mac or an iPad you can present wirelessly using Apple Airplay instantly. It’s that easy!

4. **Conference calling**
Bring external parties into the conversation with the Datapac UC Cloud Conference Bridge. You will be provided with a phone number, meeting room number and pin to secure your conference call.

5. **Bring it all home or back to the office**
Printing your training or presentation materials has never been easier. The high spec HP printer installed in Datapac Business Resource Centre allows you to print directly from the Presentation laptop, your own laptop, tablet or phone, providing unparalleled print quality and reliability every time.
